National Security Council
303 Old Executive Office Building
Washington, DC 20504

Dear Len:

This letter is to invite you to participate in a classified workshop entitled: *Controlling DPRK WMD in Collapse Scenarios*. It follows up on a January 1998 high-level workshop organized by National Security Planning Associates, a subsidiary of the Institute for Foreign Policy Analysis, on a similar topic on behalf of General Tilelli. The upcoming workshop is designed to provide DoD and key players in the interagency with a venue to discuss issues related to planning for controlling the DPRK's WMD in collapse scenarios. It will feed into the NSC's current effort to develop a PDD-56 Pol-Mil plan on Korean peninsula issues.

The workshop will be held on **May 21, 1998**, from 8:00 AM to 1:00 PM in **Room BD942** in the Pentagon. The workshop will be held at the **SECRET** level. Given the sensitivity of the topics being addressed, I would appreciate your keeping the workshop title and agenda close hold. Moreover, for those who do plan to attend, verification of your security clearance should be faxed to Martha King in our Washington office at (fax) 202-785-2785.

If you have any questions regarding this workshop, please do not hesitate to call me at 202-463-7942. Mr. Richard Finn, Country Director for Korea OSD/ISA/AP, is the OSD point of contact on this workshop.

Sincerely,

Jacquelyn K. Davis
