MEMORANDUM FOR JULIE DEMEO

From: Karen Anderson (for Reta Lewis)

Re: Recommendation for EZ/EC Sites

Thank you for the opportunity to recommend sites for upcoming travel by Carol Rasco.

After consulting with Reta on proposed sites in Alabama, Georgia and Mississippi, we recommend the following (in priority order):

1. **Mississippi**

Background: As you may be aware, Mississippi will be the site of a heated 1995 gubernatorial election battle. There has been little travel by Administration officials to Mississippi in the last two years, and this would be a good opportunity to motivate and energize Democratic supporters in the state.

2. **Georgia**

Background: Incumbent Democratic Governor Zell Miller's 1994 re-election victory was the result of a heated and divisive campaign battle. As one of the few remaining Democratic Southern Governors, Zell Miller has implemented innovative educational programs in the state, and has remained a strong supporter of the Administration. Georgia will be the site of a re-election bid by Senator Sam Nunn in 1996. This would be a good opportunity to promote Administration policy in the state--and to include the Governor in Administration activity.

3. **Alabama**

Not a key priority.

As we have discussed, you should talk with Joe Trahern (with Linda Moore) regarding recommendations for North Carolina and Texas.

Thank you.
