7-3-96

After reviewing our terminal entries and inventory lists that have not yet been entered into the computer, I come up with 56 boxes that we received during this Administration from the WH Security Office currently stored in Room 563 OEOb. All of these are CF boxes (CF standing for "confidential file"). Keep in mind that three boxes formerly stored in 563--boxes 159, 214, and 215 were transferred to the custody of the FBI on June 6, 1996.

Following is a complete list of the numbers on these boxes that should be located in OEOb 563:

72, 73, 74, 75, 160, 206, 207, 208, 209, 210, 211, 212, 213, 216, 219, 220, 221, 269, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 317, and 318.
