RE: REVIEW OF SECURITY CLEARANCE PROCESS

DATE: APRIL 30, 1996

Please be advised that the White House Personnel Security Office, in compliance with Executive Order #12968, will be reviewing staff's needs for access to classified material. As you are aware, a critical aspect to safeguarding classified materials is limiting the number of individuals with access to classified materials.

The Office of Personnel Security will be meeting with department heads to determine each staff member's need for access to classified materials. They will use the attached form and make it part of their permanent personnel security file.

Upon completion of this review, the Office of Personnel Security will provide you with a roster of staff and their approved level of access to classified materials.
