It is with great pride, that I accept the appointment by Chairman Adams, NTFD, and President Reich of the National Organization on Disability (NOD) as your new Executive Director. I am pleased to continue the work of facilitating cooperation and communication among federal agencies and private organizations on important disability issues.

The next meeting of the NTFD is scheduled for Wednesday, November 29, 2000 at 2:00pm. The meeting will be hosted by the Kennedy Center which is located at 2700 F Street NW. Memorandum

Date: February 18, 1999

To: Members, National Task Force on Disability (NTFD)

From: 
Tina VanDevier, Executive Director

Subject: Next NTFD Meeting

The next NTFD meeting is on March 11, 1999, from 2:00 to 4:00 p.m., in the Ben Franklin Conference Room, U.S. Postal Service Headquarters, 475 L'Enfant Plaza, S.W., Washington, D.C. The L'Enfant Plaza Metro Station is less than one block from (the Yellow, Green, Orange, and Blue Lines).

Bob Krow, at the U.S. Postal Service, is hosting the meeting. The key speakers are Michael Goodwin, Manager of Design and Construction, and Carol Booher, Team Leader for Selection, Evaluation and Recognition. They will cover how the Postal Service is making post offices around the country accessible, what the Postal Services does to recruit, employ and retain workers with disabilities. Their theme is "delivering value to our business through people."

Another key speaker, arranged by Dr. Ira Laster, Department of Transportation, is Lawrence Roffee, Executive Director, Architectural & Transportation Barriers Compliance Board. Mr. Roffee, will speak about the "activities of the Board to develop accessibility guidelines under the ADA, and the Rehabilitation Act, as amended."

Following the presentations, we will go around the room for members to pass out materials and tell us what is happening in their agencies, or organizations. Also, new membership certificates will be available.

Chairman Adams and I, urge you to attend this stimulating and informative meeting on March 11. We appreciate all of you who attended the excellent meeting last fall when we presented Alan Reich and Dr. Ira Laster, with the Distinguished Service Award, and when we reviewed the latest NOD-Harris Survey and FDR Memorial. Please call me by March 1, 1999, on (202) 512-3904, or send a FAX to (202) 512-4818, to let me know if you are planning to attend the meeting. We especially need to know if someone else will be attending, and if there are any changes or corrections for the NTFD membership list. Thanks much!

Memorandum

Date: April 29, 1999

To: Members, National Task Force on Disability (NTFD)

From: Tina VanDevier, Executive Director

Subject: Next NTFD Meeting

The next NTFD meeting is on Thursday, May 20, 1999, from 2:00 to 4:00 p.m., in the Ben Franklin Conference Room, U.S. Postal Service Headquarters, 475 L'enfant Plaza, S.W., Washington, D. C. The L'enfant Plaza Metro Station is less than one block from (the Yellow, Green, Orange, and Blue Lines). Fancy Refreshments will be served.

Mr. Bob Krow, at the U.S. Postal Service, is hosting the meeting. The key speakers are Michael Goodwin, Manager, Design and Construction, and Carol Booher, Team Leader for Selection, Evaluation and Recognition. They will speak on how the Postal Service is making post offices around the country accessible, what the Postal Services is doing to recruit, employ and retain workers with disabilities. Their theme is "delivering value to our business through people." There will also be a display of stamps for PWD's.

Another key speaker, arranged by Dr. Ira Laster, Department of Transportation, is Lawrence Roffee, Executive Director, Architectural & Transportation Barriers Compliance Board. Mr. Roffee, will speak about the "activities of the Board to develop accessibility guidelines under the ADA, and the Rehabilitation Act, as amended."

Following the presentations, we will go around the room for members to pass out materials and tell us what is happening in their agencies, or organizations. Also, new membership certificates will be available.

Chairman Adams and I, urge you to attend this stimulating and informative meeting on May 20. We appreciate all of those who attended the excellent meeting last fall when we presented Alan Reich and Dr. Ira Laster, with the Distinguished Service Award, and when we reviewed the latest NOD-Harris Survey and FDR Memorial. Please RSVP me by May 15, 1999, on (202) 512-3904, or send a FAX to (202) 512-4818. I need to hear from you on whether or not you plan to attend the meeting so that I will not have to track you down. Do you have any changes or corrections for the NTFD membership list? Thanks much!
