SUBJECT: COMMON CAUSE'S MUDBALL

As you know, Common Cause & co. are picketing the DNC fundraiser tomorrow. Attached is the material they're sending out, plus talking points (which have already been faxed to the DNC). We can't really be surprised that they're putting heat on us . . . but the tone is vitriolic, nasty and unfair.

This will generate some press interest. In any case, I don't think we should overreact -- our posture on this should be the same as it has been (we're for reform, we're pushing for reform, no unilateral disarmament, we'll sign reform while Bush vetoed it).
