Sandy
Dear Mr. Berger,

As part of our initiative to capitalize on lessons learned from Cuban migrant operations for application to future humanitarian assistance operations, we have built a consolidated lessons-learned multimedia package. This package is provided for your use and consists of three elements: a pamphlet, a video tape, and a CD-ROM interactive data base.

We hope the package will be of benefit to you. As always, your comments or questions are most welcome.

Sincerely,

Jack
