REVISED

THE COMMANDANT OF THE UNITED STATES COAST GUARD
WASHINGTON, D.C. 20593-0001

July 15, 1999

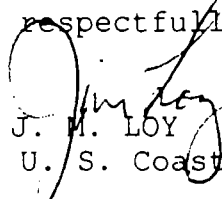

Dear Mr. Berger,

Thanks for the phone call to discuss Cuban migrant issues. There were lots of Coast Guard voices who felt burned by the President's comments, both that's my leadership challenge! I appreciate your concerns about policy review and as I indicated, Ambassador Sherman has that review underway. There are some very real things to do now and we must try to anticipate any new policy challenge and pre think our reaction to it.

In the meantime, Coast Guard people will do what they've always done ... rise to the nation's needs and enforce the law in as humane a manner as possible. That might sound a bit naive or even corny but that's what we do and how we work and I'd have it no other way.

Thanks again for your thoughtful call

Very respectfully,

J. M. LOY

Unless you are a bit more objective about JMWZ, likely to lose POTUS. Even the CG is more balanced than this. (But might also note reaction by CG to POTUS comments [see note]; I called Lou).
