Dear Ms. Cohen,

Thank you for your kind invitation for me to address the students of Yeshiva University on the importance of voting in November's election. Presently, there is no time in my schedule to visit Yeshiva, but I will keep your request in mind should something open up.

Again, thank you for your invitation.

Dear Mr. Stephanopoulos:

On behalf of the students of Yeshiva University, I would like to take this opportunity to extend an invitation for you to address the students of Yeshiva University on the importance of voting in this year's election.

If you are in New York between now and the election I would appreciate it if you would contact me and place Yeshiva University on your schedule. The event would preferably take place in the evening, ideally between the hours of 7 to 9 pm so that the entire student body (both men and women) can attend. It would be a short speech of may be 10 - 15 minutes following 5 to 10 minutes of Q and A. Some of the events that the society is planning that you may be interested in attending are the mock election taking place either October 22, 23 or 28 as well as the voter registration drive which we will be conducting on September 17-19 as well as October 7-11.

Thank you for taking the time to review this request. I look forward to hearing from you. I can be reached at the above address or by phone at (212)448-9337. Once again, thank you.

Sincerely,

SHARONA COHEN

President
