Dear Mr. Makras:

Thank you for your kind letter. It is always a pleasure to hear from our supporters. However, I am truly sorry for this late reply. Our office wasn't prepared for the overwhelming response of the American people to the Administration.

President Clinton and I are working our hardest to address the issues that are most important to you. Your continued support is crucial to this Administration's success.

Sincerely,

George Stephanopoulos

Dear Mr. Stephanopoulos:

Upon hearing yesterday of your official appointment as President-elect, Bill Clinton's Communication Director, we of DYNAMIS hasten to congratulate you and to tell you how proud we are of you and the tremendous political success you have attained.

As you may know, DYNAMIS is the fountain-head of Greek-American political strength in California, as we strive to place into public office Greek-Americans who are qualified and worthy to serve at the local, state and federal levels of government. If we can be of service to you and to President-elect Clinton, in any way, please do not hesitate to call on us.

I might also add that our DYNAMIS members, as a group, are planning to come to Washington this summer or early fall to meet government officials and to become better acquainted with the inner workings of the government process.

Again, congratulations and best wishes for every success.

Sincerely,

Victor Makras
President
