FLOTUS to Ft Dix, NJ: Tomorrow

(Weds) with Secy Shalala, to greet first group of refugees. Evening event. Shalala then does Thurs a.m.. morning shows to talk about how we are dealing with refugees.

Texas Travel this Friday: talk

of adding Oklahoma to itinerary to tour tornado aftermath. Could result in overnight in Austin, Tx. (Ed R: note)

New Markets

Trip Tues May 11: discussing going to Akron or Atlanta to kick-off President's initiative (which owes much to Jackson's "Trillion Dollar Dinner" initiative to combine efforts of CEOs and community activists to invest in America's "emerging markets" in our own "underserved areas"). Point for us is possibility that Jackson may travel with POTUS and the pairing would draw inevitable questions about Kosovo. Stay Tuned

Major POTUS Kosovo Speech Thurs, May 13: Big Deal

for us. We need to come up with options for venue, audience message. Thought is to take POTUS to a veteran's group. Suggest Lindsay (in Matt's absence) work with OPL and WHouse Comms to define 2-3 options for decision by SRB and then wider White House. We need to have a decision by the end of the week. (Lindsay: first step is to ask Mary Beth Cahill who her action officer is and work with that person and whomever Ucelli designates. See me if you need an assist.)

Abdullah Vist May 18: The consensus seems to be to do a pool spray in Oval. But that is day of Israeli elections so we need to work carefully both internally and with Jordanians.

POTUS

to Colorado May 20: A possibility, to lay hands on Colombine kids, families and community.

POTUS Family Time: Events permitting, he may spend last week of month in FLA.

Brian called. He thinks July 19 is their only day in DC, but
he's double-checking. Brian really keen on something happening.
He says he would not like to read stories in the press that Columbine
students made a trek to DC but were unable to arrange a White House

tour. Maybe that argument could be used in your memo to the Visitors Office.

Brian looking for ideas/ways to get others on the staff, he mentioned Berger and Bouchard, to get Visitors Office to make an exception.

PJ concurs that Visitors Office should go out of their way to help Columbine students given that the President has taken a personal interest, has traveled to Columbine to visit the students at their school, etc., etc. PJ said they should not be denied a tour because of some bureaucratic policy of no White House tours on Mondays.

Will these thoughts help push Visitors Office for a tour?

Thanks,
Natalie

Hello. I am arranging for @Asia (probably Jack Pritchard) to give a briefing in two weeks to a Japanese delegation hosted by the American Council of Young Political Leaders (ACYPL). ACYPL is a bipartisan 501(c)(3) organization (partially funded by USIA) that conducts international exchange programs for emerging political leaders. This group will be 8 Japanese participants, 3 interpreters and 2 ACYPL staff members.

This pertains to you because they have also politely requested a group tour. Can you tell me the options we have for a group of 13? I would like them to see as much as possible. They are available on Monday, July 19th in the afternoon, or Tuesday, July 20th in the morning, or Wednesday, July 21st in the morning. Thanks! I am at 6-9179.
