FLO

These are the African American clergy members to be invited to the religious breakfast. How are they to be invited? (letter, phone) If you need assistance contacting them, I am available. All of these people are important to us for different reasons. Some are heads of clergy organizations or past presidents. Others are key people with a national following. Joe Lowery has been added because he is a key religious leader and he is helping us with our Jesse Jackson politics. There may be others who need to be added to the list so you may want to contact Harold Gist at the DNC.
