Dear Alexis,

I enjoyed reading your profile today in the New York Times. The praise of your professionalism, energy and commitment to the Clinton Presidency is much deserved and long overdue! You are one of the heroes (heroines!) of the Administration and a role model for other women working in the White House. Love

Job (and a tough one) very well done! You handled your ^{initial} major responsibility w/ ^{professionalism} ~~professionalism~~ and considerable grace under pressure. We had a successful effort and that would not have been the case without your dedication and leadership and competence.

I enjoyed working w/ you and

Look forward to helping you and Alexis

Dear Melanne, Alexis and Carol,

Greetings to you all! I will be in New York April 9th-11th, and
Washington the 10th-11th. Let me know if you want any time -- regarding our
project or anything else.

I always love being in your company.

Also, if there's anything interesting going on at The White House I could
fold into on the 10th -- day or evening, I'd love it.

Hugs and kisses,
