From: Gene Sperling
Subject: Louisiana Speech

I'm sorry that I did not have a chance to put things together for you in a tighter fashion, but I hope you will find the following three documents helpful.

1. PRESIDENT CLINTON'S ECONOMIC STRATEGY: This document tries to start with the "right way, wrong way" approach, and then combine talking points relative to the current budget, along with some Louisiana statistics.

2. CLINTON ADMINISTRATION INITIATIVES HAVE HELPED THE STATE OF LOUISIANA: This gives you some of the Louisiana economic stats in the first document along with additional info on how our initiatives have helped the citizens in Louisiana. Theo Lubke on our staff helped put these together for you.

3. Q&A ON THE BUDGET: These are some tough Q&A I did for the Vice President.

Let me know what else I can do. I'll be at home in the morning and in the office all afternoon. Good luck.

Gene

You wish and there's work ^{was} to
be done. O.K. point. Very helpful.
Specific facts and accomplishments were
very welcome. Many, many thanks
particularly in light of how busy
you are right now. I really appreciate
your help.
