Dear Leadership Family Member:

Please see attached, the latest **Family Investment Group (F.I.G.) financial update** provided by Dr. Emma Chappell at **United Bank of Philadelphia**. As you can see, the collective investment of our leadership family, which began last year, is growing steadily. We agreed that family members would contribute \$100 per month into the F.I.G.

Very soon, Dr. Chappell will make recommendations for investment options we may want to pursue. For those family members now giving (per attached list), let's keep up the good work. For those who would like to begin investing, simply send your check for \$100, payable to United Bank of Philadelphia (targeted for Family Investment Group). If there are errors on the attached list of family members who have made investments, please call or fax me with the corrections.

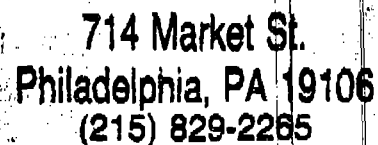

Please remember those family members who had **birthdays in January** (belatedly on my part) and for the balance of the year. See the attached birthday list as a reminder and add **Velma Nellum**, who has an August 5th birthday.

Also, please remember **Dr. Betty Shabbazz** and her family in your thoughts and prayers for the challenges they now face. We await her instructions on ways to be of specific help.

Love,

Barbara
