MEMORANDUM FOR Kitty Higgins
 Steve Silverman

FROM: William Ginsberg
 Chief of Staff

SUBJECT: Scheduling Request, CEO Reunion

Attached please find a Presidential scheduling request for Sunday, July 23, 1995. The Department of Commerce is coordinating a reunion for the Chief Executive Officers that were members of the Presidential and Secretarial International Trade Missions led by Secretary Ronald H. Brown. This reunion is to be held in conjunction with a Department of Commerce conference on the Big Emerging Markets, the cornerstone of the Department's export strategy.

We request that President Clinton honor these Chief Executive Officers and members of the U.S. Business Delegations at a White House reception on Sunday, July 23, 1995. We envision inviting approximately 400 people, including the CEOs and their spouses. With your support, the Office of Business Liaison will handle all logistics.

A White House reception would be an excellent opportunity to showcase the success of the Clinton Administration in promoting US exports abroad, accounting for over \$25 billion in private contracts for American businesses. As proposed, this event is scheduled to coincide with the Big Emerging Markets Conference in Washington, D.C. This is opportunity is dual-purpose, allowing the President to advance his economic message during the month of July and as well as a unique forum to highlight the CEOs, their companies and success stories.

Please pass this to Billy Webster as soon as possible.
