**CCMG Congressional Outreach Strategy
on the President's Climate Change Action Plan**

The Congressional Outreach Strategy on the President's Climate Change Action Plan should have three major components:

- Brief any key committee/subcommittee Chairs & Ranking Members who desire to be briefed personally-- and in any event, their staff;
- Brief staff of Members of Energy & Commerce, Energy & Natural Resources and Environment & Public Works through briefings arranged through the Committees; and
- Brief other interested staff in a forum arranged through the Energy and Environment Study Institute.

To that end, we should offer to brief the following Members:

CEOs AND OTHER GUESTS -- to be handled by OEP

October 12, 1993

1~

Dear 2~:

I would like to take this opportunity to extend a personal invitation for you to attend the President's unveiling of his Climate Change Action Plan. The ceremony will be held in the East Room of the White House residence at 12:00 noon ????? on Tuesday, October 19, 1993.

As you know, President Clinton and I are committed to the preservation of our global environment in a way that leads to strong and sustainable economic growth. In his Earth Day Address, the President announced this Administration's intention to return U.S. greenhouse gas emissions to 1990 levels by the year 2000. President Clinton will be announcing his Climate Change Action Plan to accomplish his goals as outlined on Earth Day in April.

Please have someone from your office contact Mr. Trey Lindseth or Ms. Jennifer Colamonico on my staff by noon on Friday, October 15 with your social security number and date of birth. You will need to plan on arriving at the gate on the Northeastern corner of the White House grounds with picture identification by ?????? a.m. for the announcement on Tuesday.

I hope you will be able to join us at the ceremony, and I look forward to seeing you soon.

Sincerely,

Kathleen A. McGinty
Director, White House Office on
Environmental Policy
