OFFICE OF THE VICE PRESIDENT

WASHINGTON

June 23, 1993

The Honorable Tim Hutchinson
U.S. House of Representatives
Washington, D.C. 20515

Dear Congressman Hutchinson:

A handwritten signature in black ink, appearing to read "Tim", written over the word "Hutchinson" in the salutation.

Thank you for your letter and the information you enclosed regarding the work of Mr. John Heer to eliminate unnecessary engine idle in trucks. It was good to hear from you.

As you know, I share President Clinton's commitment to the preservation of our environment in a way that leads to strong and sustainable economic growth. I appreciate learning about Mr. Heer's efforts to promote energy conservation by eliminating the waste involved with engine idling. I am forwarding Mr. Heer's information to the Department of Energy for their review and response.

Thank you for sharing this information with me.

Sincerely,

A handwritten signature in black ink, appearing to read "Al", written in a cursive style.

Dear Mr. Vice President:

Recently I was contacted by a corporate constituent of mine regarding a new product it had developed to eliminate unnecessary engine idle in trucks. The company is very excited about this new technology and the implications it holds for helping to create a cleaner environment.

I am enclosing some materials on this new product for your perusal. If you would like additional information I would be happy to provide it.

Thanks for your consideration.

With kind regards,

Sincerely,

TIM HUTCHINSON
Member of Congress
