NSO = Northern Spotted Owl

1/ 1997 volumes for the Owl Forests are full PSQ level + 10 percent "other wood". Adding in the comparable volume for BLM (221 MMBF) gives a total sale level of 1,053 MMBF (shown as 1.1 BBF in the FSEIS and ROD).

** Regional Totals for FY 1994 volume funded are based on FY 94 Final Budget. Regional Totals for FY 1995-1997 volume funded are based on FY 95 President's Budget. Table assumes that non-NSO Forests in R-5 would accomplish the balance of the Regional target not accomplished by the NSO Forests, but that this will not be possible in R-6.
