Dear Melanne,

It was great catching up with you on the phone, and I greatly appreciate your help with the President and the billboard unveiling. I overnighted color copies of the billboard to Ann O'Leary for distribution and hope folks agree that the unveiling and press conference is worth the President attending. As promised attached is the

print ad we are raising money for to run in at least one major national publication. I've also included a copy of our new billboard as well.

If you have any ideas or suggestions regarding placement of the ad or anything else please call.

Keep up the great work, and I hope to see you again.

Best Regards,
John
