Dear Mr. President,

Your speech was great! The family all watched and enjoyed your evening. Bill, no doubt you have been one of the finest Presidents of all time. You have accomplished so much. You also have much to do in the few short months left. You must influence those unscrupulous marketers at Abercrombie and Fitch to stop influencing our young in such a way. Express and other yuppie clothing stores that cater to our young are all doing the same thing. Abercrombie is the worst. We need to stand up to them. Did you see the catalog?? What did you think? What have you done about it, or what are you going to do about it? What do you think I should do? If nothing is done that kind of stuff is what is decaying our country. You know that, I know that, but very few will take the time to act on it. Please!
