

Dear Reader,

Mr. Clark's 5th grade class would like to thank our community of Aurora and all of the people that made our project possible. Without the following businesses and people, we would not have been able to make the trip to D.C., and we wouldn't have been able to write everyone back. (The price of 4,000 envelopes and stamps isn't cheap!) Thank you for your support. It's wonderful to live in a community that cares.
