Dear Eli:

On Monday, May 24, I will welcome to Washington 150 business, academic and government leaders from Connecticut for a series of seminars on public policy. Since 1981, I have sponsored six similar seminars for constituents and have had such speakers as former Secretary of Defense Dick Cheney, Federal Reserve Board Chairman Alan Greenspan, and Senate Majority Leader George Mitchell and Minority Leader Bob Dole.

As part of the seminar, we will have a panel entitled, "Preparing a Workforce for the 21st Century - Education, Training and National Service." Given your leadership in this area, I would be pleased if you would bring your expertise and perspective to bear on this subject.

I have asked Secretary of Labor Robert Reich to frame this issue for us, followed by an informal discussion -- a ten-minute opening statement by each of the panelists, followed by a discussion among the panel members and questions from the seminar participants. The panel is scheduled from 10:30 to 11:45 a.m. on Tuesday, May 25, 1993, in the Dirksen Auditorium, SDG-50.

I know that the demands on your time are heavy, but I would be delighted if you could find room in your schedule to take part in the program. I am confident that my constituents would be honored to hear you speak.

I will be in touch with you in the near future to answer any questions you may have and see if you can join us. If your schedule permits you to join us or if you have immediate questions, please call me or Patti Ogle of my staff at 224-2823. I hope you will be able to make it.

Sincerely,

*Eli - Hope you
can find
time.*

Dear Mr. Segal:

I am writing to urge you to renominate Karen Young to serve on the Board of the Commission on National and Community Service. Appointed last year to a one year term in 1991, Karen was supposed to be reappointed, but her nomination and confirmation were inadvertently delayed in the process.

Throughout her academic career, Ms. Young has been actively involved in community service. She is currently the Project Director for Youth on Board, an innovative program to encourage nonprofit boards to incorporate youth governors.

Youth on Board is one of many programs and resources offered by the Campus Outreach Opportunity League (COOL). COOL, a Minnesota based organization, promotes and supports college students involved in community service. In addition to serving as project director at COOL, Ms. Young has also worked at COOL's Communications Director and its National Meetings Director.

It is important for the Commission to have the view of young people and I believe that Karen would be an outstanding member of the board. She would make a meaningful contribution to the Commissions work and I urge your consideration of her renomination.

Sincerely,

Paul D. Wellstone
