RECORD TYPE: PRESIDENTIAL (NOTES MAIL)

CREATOR: Ronald Minsk (CN=Ronald Minsk/OU=OPD/O=EOP [OPD])

CREATION DATE/TIME: 1-MAR-1999 09:23:56.00

SUBJECT: Electricity Labor Issues

TO: Todd Stern (CN=Todd Stern/OU=WHO/O=EOP @ EOP [WHO])

READ:UNKNOWN

TEXT:

At some point, i understand that you, karen, dirk, and someone from DoE met to discuss labor electricity issues. karen indicated that labor wanted three things in particular. do you know who from doe was there so that we can see what those three things were. Or, do you recall the specifics of the conversation.

Message Creation Date was at 1-MAR-1999 16:34:00

THE WHITE HOUSE

Office of the Press Secretary
(Park City, Utah)

For Immediate Release March 1, 1999

STATEMENT BY THE PRESIDENT ON TITLE I

Today,s news of improvement in achievement for students in high-poverty schools is welcome, but we must not rest until all students meet the challenging standards we set for them. That is why I urge Senators in both parties not only to support this week,s vote to put 100,000 new, well-prepared teachers in the classroom, but also to enact my Education Accountability Act. This Act will help move our education system forward by ensuring that states and school districts end social promotion, phase-out the use of unqualified teachers, turn around low-performing schools, provide parents with report cards on schools, and implement effective discipline policies. While our education reform efforts are clearly headed in the right direction, we must take these important steps to close the gap between students and increase the pace of reform.

30-30-30

READ:UNKNOWN

TEXT:

He had been called by Mannano (sp?) to get a technical opinion. York was starting from scratch and had obviously not been asked before.

Bottom line: he thinks the definition is a pretty good one given the complexity of alternatives but will be doing "careful analysis" of the proposal using computer models GM has developed of hybrid control strategies. He liked the premises we used to avoid rule beaters and any comments made are likely to be perfecting suggestions. His concerns were:

the storage device would be larger than needed to actually hold the energy from the braking event since in current systems losses may be greater than 50% by the time it reaches the battery. I said that the point of the definition was to put a minimum size on the storage system. In the case he mentioned, it would simply mean the battery would be slightly larger than needed by braking but would be charged in part from the motor (he agreed that this was in fact part of their design strategy for most systems).

the deceleration rate needs to be specified for him to translate the requirement to engineering specifications with precision. We knew that this would be needed but avoided being overly specific by saying "typical braking event". In fact the typical braking event from 0 to 70 is not a "slam on the brakes" event but a fairly gradual deceleration. He will run a typical driving cycle through his system and suggests that we specify a specific deceleration (say 2.1gs). This seems fine with me and would be a simple way to solve the problem.

READ:UNKNOWN

TEXT:

Todd,

Elliot said he is preparing q&a's for the Time interview. I told him about our conversation said that I would write up what we discussed (reformulations of the questions and some of the answers) and send it to him. He will circulate what he ultimately puts together for your review when he's finished.

John

PS

Meanwhile, I will, as we discussed, move forward on writing up answers since we have to have this for our own purposes anyway.

TEXT:
THE WHITE HOUSE

Office of the Press Secretary
(Park City, Utah)

For Immediate Release
March 1, 1999

TEXT OF A LETTER FROM THE PRESIDENT
TO THE SPEAKER OF THE HOUSE OF REPRESENTATIVES
AND THE CHAIRMAN OF THE
SENATE FOREIGN RELATIONS COMMITTEE

March 1, 1999

Dear Mr. Speaker: (Dear Mr. Chairman:)

Pursuant to subsection (b) of the Case-Zablocki Act, (1 U.S.C. 112b(b)), I
hereby transmit a report prepared by the Department of State concerning
international agreements.

Sincerely,

WILLIAM J. CLINTON

###

THE WHITE HOUSE

Office of the Press Secretary
(Park City, Utah)

For Immediate Release March 1, 1999

STATEMENT BY PRESIDENT

Vice President Gore and I have set a goal of connecting every classroom in America to the Internet by the year 2000. Today, I am pleased to announce that new Department of Education data show that more than half of all classrooms are connected -- nearly twice as many connections as last year. And thanks to new "e-rate" discounts that help schools and libraries connect to the Internet, we will reach our goal by the year 2000.

Computers, the Internet, and educational software can make a real difference in the way teachers teach and students learn. Because of our efforts, children in the most isolated inner city or rural town will have access to the same universe of knowledge as a child in the most affluent suburb. Parents will be able to communicate more frequently with teachers, and keep up with the progress of their child in school. Our children will be "technologically literate" -- and better prepared for the high-tech, high-wage jobs of the future. But we must also make sure that teachers are as comfortable with a computer as they are with the chalkboard. That is why Congress should support my \$800 million educational technology initiative --including more than \$100 million to train teachers in the latest technology.

By giving our children the skills they need to succeed in the jobs of the future, we will build a stronger nation for the 21st Century. I particularly want to thank Vice President Gore, who has done so much to put the future at the fingertips of our children.

30-30-30

RECORD TYPE: PRESIDENTIAL (EXTERNAL MAIL)

Message Creation Date was at 1-MAR-1999 15:42:00

THE WHITE HOUSE

Office of the Press Secretary
(Park City, Utah)

For Immediate

Release March 1, 1999

WOMEN'S HISTORY MONTH, 1999

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

A little more than a century ago, an editorial in the Pittsburgh Dispatch opposing women's suffrage and criticizing women in the work force so infuriated a young reader that she wrote a letter in protest. Her articulate response prompted the newspaper's editor to offer her a job, and thus Elizabeth Cochrane -- later known as Nellie Bly -- began her career in journalism. A pioneer of investigative reporting, she exposed the brutal conditions in the care of the mentally ill, reported on poor working conditions in factories, and wrote of the indignities suffered by women in prison. This year, as we reflect on America's past in preparation for our celebration of the new millennium, we recognize that the talent, energy, intellect, and determination of countless women like Nellie Bly have shaped our destiny and enriched our society since our earliest days as a Nation.

From the women who organized the East India Company tea boycotts before the Boston Tea Party to Deborah Sampson, who fought as a soldier in the Revolutionary War; from Angelina and Sarah Grimk?, who spoke out against slavery to Harriet Tubman, who risked her life as a conductor on the Underground Railroad; from suffragist Carrie Chapman Catt to sharecropper Fannie Lou Hamer, who faced violence and endured intimidation to become a leader of the Civil Rights movement; from environ-mentalist Rachel Carson, who changed our way of looking at the world, to physicist Chien-Shiung Wu, who changed our way of looking at the universe, women's history is truly America's history. That is why I was pleased to establish in July of last year the

President's Commission on the Celebration of Women in American History, whose recommendations will help us to better understand and rejoice to appreciate the role and accomplishments of women.

During Women's History Month, we honor the generations of women who have served our Nation as doctors and scientists, teachers and factory workers, soldiers and secretaries, athletes and mothers. We honor the women who have worked the land, cared for children and the elderly, nurtured families and businesses, served in charitable organizations and public office. And we remember the good friends we have so recently lost -- women such as Bella Abzug, Marjory Stoneman Douglas, and Florence Griffith-Joyner -- whose achievements and example continue to light our lives.

But we must do more than remember. We must build on the legacy of the millions of women, whether renowned or anonymous, who have contributed so much to the strength and character of our Nation. We must ensure that women have equal access to the education and opportunities they need to excel. We must guarantee that women receive equal pay in the workplace. We must promote policies and programs -- including affordable, high-quality child care -- that enable working women to succeed both on the job and in their homes. And we must work to ensure

more

(OVER)

2

that women have the comfort of knowing they can retire in security. Women who have gone before us accomplished so much, often in the face of hardship and discrimination; we can only imagine what women will accomplish in the future if we break down the remaining barriers that prevent them from reaching their full potential.

NOW, THEREFORE, I, WILLIAM J. CLINTON, President of the United States of America, by virtue of the authority vested in me by the Constitution and laws of the United States, do hereby proclaim March 1999 as Women's History Month. I encourage all Americans to observe this month with appropriate programs, ceremonies, and activities, and to remember throughout the year the many heroic women whose many and varied contributions have enriched our lives.

IN WITNESS WHEREOF, I have hereunto set my hand this first day of March, in the year of our Lord nineteen hundred and ninety-nine, and of the Independence of the United States of America the two hundred and twenty-third.

WILLIAM J. CLINTON

TEXT:

TO: DIRECTOR JACK LEW
DEPUTY DIRECTOR SYLVIA MATHEWS
DEPUTY DIRECTOR FOR MANAGEMENT ED DESEVE
EXECUTIVE ASSOCIATE DIRECTOR JOSH GOTBAUM

FROM: OMB LEGISLATIVE AFFAIRS

DATE: March 1, 1999

SUBJECT: LEGISLATIVE REPORT

Wednesday, March 3, there will be an announcement of the Unified Democratic Agenda. This announcement will include the President and the House and Senate Democratic leadership. The priority list of the agenda will include:

- o Saving Social Security by investing the surplus and paying down the debt
- o Modernizing public schools
- o Patient,s Bill of Rights
- o Targeted tax cuts

House and Senate Republican Leaders are expected to meet with Kasich and Domenici this week to discuss the FY 2000 budget resolution. Senate and House Republicans face two significant issues: (1) Domenici wants to spend only on-budget surpluses on tax cuts which would phase in the cuts very slowly, while Kasich wants to implement 10% across the board tax cuts immediately using the unified surplus; and (2) Republicans need to reach agreement on whether to adjust the caps, particularly in light of the recent statements about more defense and education funding. Mark-ups could occur as early as March 15-19 in the Senate and March 17 in the House.

UPCOMING HEARINGS/MARKUPS

- o March 2 - House Appropriations Treas/Postal Subcommittee: Mark Lindsay (morning); EOP FY00 Budget, and Jack Lew (afternoon); OMB FY00 Budget
- o March 3 - Senate Budget: Ken Apfel & Larry Summers; Social Security
- o March 3 - Senate Budget: Dan Crippen; CBO analysis of POTUS budget
- o March 4 - House Budget: Dan Crippen; CBO analysis of POTUS budget
- o March 4 - Senate Appropriations CJS Subcommittee: AG Janet Reno; Counterterrorism
- o Budget Resolution markup schedules are likely to be March 17, at House Budget Committee, and the week of March 15-19 at Senate Budget Committee.
- o March 4 - Senate Budget will mark-up Senator Domenici,s budget process reform legislation; exact agenda items are not yet settled.

CONGRESS -- THIS WEEK

SENATE

Tuesday, March 2:

The Senate will meet at 9:30 a.m. for one hour of debate on legislation

S.314- To provide loan guarantees to help small businesses address their

year 2000 computer problems. One hour of debate and then vote is scheduled for 10:30 a.m.

[SAP pending: no objection]

S. Res. 7 - To provide more funding for the Special Committee on the Year 2000 Technology-Related Problems.

[No SAP]

Wednesday, March 3 and the balance of the week:

Begin consideration of S. 280 - Education Flexibility

[SAP under development]

S. 257 - National Missile Defense Act of 1999

[SAP pending: senior National Security Advisors recommend veto]

Further detail on the Senate schedule is not yet available.

HOUSE

Tuesday, March 2:

The House will meet at 10:30 a.m. for morning hour and 12 Noon for legislative business. Votes are expected after 12 Noon.

The following bills are scheduled for consideration under suspension of the rules:

o H.R. 221 - To Permit Certain Youth to Perform Certain Work with Wood Products

[SAP pending: serious concerns]

o H.R. 818 - To Authorize the Implementation of Disaster Mitigation Measures by Small Businesses

[SAP pending: support House passage]

o H.R. 609 - Export Apple Act

[No SAP: support]

o H.J. Res. 32 - Expressing the Sense of Congress that the President and the Congress Should Join in Undertaking the Social Security Guarantee Initiative to Strengthen and Protect the Retirement Income Security of all Americans through the Creation of a Fair and Modern Social Security Program for the 21st Century

[No SAP]

o H.R. 882 - To Nullify any Reservation of Funds during FY99 for Guaranteed Loans under the Consolidated Farm and Rural Development Act

[No SAP: no objection]

Wednesday, March 3 and Thursday, March 4:

The House will meet at 10:00 a.m. for legislative business.

H.R. 603 - Death on the High Seas (subject to a rule)

[SAP under discussion]

H.R. 669 - To Amend the Peace Corps Act to Authorize Appropriations for Fiscal Years 2000 through 2003 (open rule)

[SAP pending: support]

H.R. 820 - Coast Guard Reauthorization (subject to a rule)

[SAP under discussion]

H.R. 707 - Disaster Mitigation and Cost Reduction Act of 1999 (subject to a rule)

[SAP under discussion]

H.R. 661 - To Prohibit the Commercial Operation of Supersonic Transport Category Aircraft that do not Comply with stage 3 noise Levels if the European Union Adopts Certain Aircraft Noise Regulations (subject to a rule)

[SAP under discussion]

H.R. 416 - Federal Retirement Coverage Act

Resolution Honoring Mo Udall (expected to be called by UC)

Friday, March 5:

No votes.

THE WHITE HOUSE

Office of the Press Secretary
(Park City, Utah)

For Immediate

Release March 1, 1999

WOMEN'S HISTORY MONTH, 1999

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

A little more than a century ago, an editorial in the Pittsburgh Dispatch opposing women's suffrage and criticizing women in the work force so infuriated a young reader that she wrote a letter in protest. Her articulate response prompted the newspaper's editor to offer her a job, and thus Elizabeth Cochrane -- later known as Nellie Bly -- began her career in journalism. A pioneer of investigative reporting, she exposed the brutal conditions in the care of the mentally ill, reported on poor working conditions in factories, and wrote of the indignities suffered by women in prison. This year, as we reflect on America's past in preparation for our celebration of the new millennium, we recognize that the talent, energy, intellect, and determination of countless women like Nellie Bly have shaped our destiny and enriched our society since our earliest days as a Nation.

From the women who organized the East India Company tea boycotts before the Boston Tea Party to Deborah Sampson, who fought as a soldier in the Revolutionary War; from Angelina and Sarah Grimk?, who spoke out against slavery to Harriet Tubman, who risked her life as a conductor on the Underground Railroad; from suffragist Carrie Chapman Catt to sharecropper Fannie Lou Hamer, who faced violence and endured intimidation to become a leader of the Civil Rights movement; from environ-mentalist Rachel Carson, who changed our way of looking at the world, to physicist Chien-Shiung Wu, who changed our way of looking at the universe, women's history is truly America's history. That is why I was pleased to establish in July of last year the

President's Commission on the Celebration of Women in American History, whose recommendations will help us to better understand and rejoice to appreciate the role and accomplishments of women.

During Women's History Month, we honor the generations of women who have served our Nation as doctors and scientists, teachers and factory workers, soldiers and secretaries, athletes and mothers. We honor the women who have worked the land, cared for children and the elderly, nurtured families and businesses, served in charitable organizations and public office. And we remember the good friends we have so recently lost -- women such as Bella Abzug, Marjory Stoneman Douglas, and Florence Griffith-Joyner -- whose achievements and example continue to light our lives.

But we must do more than remember. We must build on the legacy of the millions of women, whether renowned or anonymous, who have contributed so much to the strength and character of our Nation. We must ensure that women have equal access to the education and opportunities they need to excel. We must guarantee that women receive equal pay in the workplace. We must promote policies and programs -- including affordable, high-quality child care -- that enable working women to succeed both on the job and in their homes. And we must work to ensure

more

(OVER)

2

that women have the comfort of knowing they can retire in security. Women who have gone before us accomplished so much, often in the face of hardship and discrimination; we can only imagine what women will accomplish in the future if we break down the remaining barriers that prevent them from reaching their full potential.

NOW, THEREFORE, I, WILLIAM J. CLINTON, President of the United States of America, by virtue of the authority vested in me by the Constitution and laws of the United States, do hereby proclaim March 1999 as Women's History Month. I encourage all Americans to observe this month with appropriate programs, ceremonies, and activities, and to remember throughout the year the many heroic women whose many and varied contributions have enriched our lives.

IN WITNESS WHEREOF, I have hereunto set my hand this first day of March, in the year of our Lord nineteen hundred and ninety-nine, and of the Independence of the United States of America the two hundred and twenty-third.

WILLIAM J. CLINTON

TEXT:

THE WHITE HOUSE

REMARKS BY PRESIDENT CLINTON
AND PRESIDENT RAWLINGS OF GHANA
AT WELCOMING CEREMONY

The South Grounds

10:15 A.M. EST

PRESIDENT CLINTON: President and Mrs. Rawlings, distinguished members of the Ghanaian delegation, my fellow Americans. Mr. President, Hillary and I are delighted to welcome you and Mrs. Rawlings to the United States. Nearly a year ago your country gave us a greeting I will always remember. On that great day it was over 100 degrees fahrenheit -- (laughter) -- and we had a half million people in Independence Square in Accra. We thought we should arrange a similar meeting here today. (Laughter.)

Actually, for the South Grounds of the White House, we have a large crowd of people, young and old, from all parts of America, including a significant number of people whose roots are in your country. And in our hearts, our welcome is warm. In Independence Square, before the largest crowd I had ever addressed, I learned the meaning of "akwaaba," your word for "welcome." It was also written on billboards and on posters -- and unforgettably written in the faces of all the Ghanaian people we saw. Mr. President, Mrs. Rawlings, it gives me great pleasure to say to you this morning, akwaaba; welcome to the United States. (Applause.)

Our trip to Ghana marked an important step forward for Africa and the United States, symbolizing a new beginning for both of us, a partnership built on mutual respect and mutual benefit. On our part, it signaled to the world our respect for Africa's achievements and aspirations after centuries of

colonialism
and decades of Cold War. On Africa's part, it signaled your readiness to
work
with us to forge a better future of open societies and shared
responsibilities.

Mr. President, under your leadership Ghana has continued to
flourish.
It remains a vivid example of what democracy and open markets can do for
the
African people. Over the past five years your economy has grown
steadily. You
have an independent judiciary, a lively Parliament, a thriving civil
society.

Ghana is a partner with other African nations, seeking to preserve
peace
in the region -- in Liberia and Sierra Leone, where you support the ECOMOG
regional peacekeeping forces, and through your partnership in the Africa
Crisis
Response Initiative. You also send peacekeepers to other spots, far from
home
-- from Lebanon to the former Yugoslavia. And for that, we are grateful.

The United States needs strong partners like Ghana. It is no
secret
that hard challenges lie ahead for Africa. Recent headlines that describe
the
continuing upheaval caused by terrorism, civil war, military aggression --
the
senseless cruelty suffered by innocent people caught in a web of
violence.

,

Clearly, there remains much to be done. But equally clearly, these
headlines do
not tell the full story of Africa, of more than 700 million people who
want what
people the world over want -- to work, to raise a family, to live a full
life,
to bring a better future to their children.

A year after my trip to Africa, it is important to highlight what
the
headlines often don't -- the hard work of the African people toward these
lofty
goals; the progress we are making in spite of setbacks. In Ghana, as in
other
African nations, we are deepening our link through growing trade and
investment,
air travel and Internet access. I look forward to discussing this
progress
with the President and to talking about how we can build on it.

Something else of far-reaching importance is happening in Africa, something unthinkable last year when I visited Accra. Three days from now there will be a democratic presidential election in Africa's most populous country, Nigeria. For 28 of its 38 years of independence, Nigeria has been run by military dictators. Now it has a chance to start anew.

The friendship between Ghana and the United States grows deeper every year. Ghana received our very first Peace Corps volunteers in 1961, and nearly four decades later new Peace Corps volunteers still make a difference there. Across a wide range of common endeavors, our nations cooperate and learn together. More and more Ghanaians are coming to America to help us build our future. More and more Americans visit Ghana and the rest of the continent to understand the history that binds us together.

Mr. President, your visit underscores the debt all Americans owe to Ghana and to Africa for the brilliant contributions that African Americans have made and continue to make to the United States.

The writer and crusader, W.E.B. DuBois, was a citizen of both Ghana and the United States. Near the end of his life he wrote his great grandson that his very long life had taught him two things: first, that progress sometimes will be painfully slow and, second, that we must forge ahead anyway because, "the difference between 100 and 1,000 years is less than you now think." He concluded, "doing what must be done -- that is eternal."

Mr. President, you have done so much of what must be done. It will live eternally and we will be eternally grateful for the friendship between our two nations. Let us extend it in the new century, for the new millennium.

Mr. President, Mrs. Rawlings, welcome to the United States.
(Applause.)

PRESIDENT RAWLINGS: Mr. President, I thank you so very much for the kind words of introduction and welcome. And I'm happy to bring to you, your family and the American people the friendship of the people and government

of
Ghana.

But first and foremost, if I've kept some of you waiting in this cold weather for this long, let me take the blame for it and apologize for it. When the President visited Africa we gave him a treat of the African sauna bath. (Laughter.) I was looking forward, just by all the advice that has been given to me, to put on this heavy jacket. I said, no, I wanted to get a feel of the air-conditioned atmosphere of the American weather. (Laughter.) So, ladies and gentlemen, here I am with you, and enjoying your weather, even if you don't. (Laughter.)

Distinguished ladies and gentlemen, Ghanaians from all walks of life still cherish memories of your historic visit to Accra last March -- that's the President and his wife -- at the start of your African itinerary.

That visit, no doubt, provided us with the opportunity to discuss issues of interest to our two countries. Ghana, as you must be aware, and the U.S. share commitments to democracy in Africa, to conflict resolution, and regional peace and security -- and most of all, to expanding ties between Africa and the U.S.

We in Africa, as well as in Ghana, look forward, Mr. President, to following up on our discussions on these issues, and of exploring ways in which to expand the scope of our relationship. We also intend to use this opportunity to share with you our vision for our future, as we move towards a new century.

Ghana, like several other African countries, has no doubt committed itself to programs and policies intended to improve the living conditions of our people. What African countries require today is an increase in trade and investment opportunities to boost our efforts towards sustainable development.

Distinguished ladies and gentlemen, Mr. President, as the century draws to a close, we wish to see the United States making a greater commitment

to end
hunger and starvation on our continent. Or better put, I am here, on
behalf of
my fellow citizens from this continent, to invite America to join us to
put an
end to hunger, deprivation, starvation and conflict on my continent.
(Applause.) Mr. President, it will be a pity to allow the painful reality
of
hunger and human deprivation to follow us into the new century.

The new millennium offers the opportunity for the U.S. -- not just
the
U.S., but the U.S. and other Western countries, to put some meaningful
measures
in place for a new partnership with Africa to go beyond rhetoric and
become a
reality. In this regard, we are hopeful that the African Growth and
Opportunity
Act will contribute to improved trade and investment opportunities between
Africa and the U.S. (Applause.)

Mr. President, distinguished ladies and gentlemen, Ghana is very
much
interested in a constructive dialogue on how trade and investment might be
combined with other measures, such as debt relief. And here I would like
to
take this opportunity to give a great acknowledgment and thanks to that
great
boxer, Mohammed Ali, for the efforts that he's making starting from the
U.K. --
I'm sure he must have started in the U.S. -- about what needs to be done
about
the debt relief that Africa needs in order to
reduce the
burden on our resources for the benefit of our own development.

Distinguished ladies and gentlemen, I'm saying so because this is
necessary in order for us to promote mutually profitable U.S.-Africa
relationship. Otherwise, whatever investments all of you make into Africa
will
be meaningless unless we can secure a very stable economic, as well as
political
atmosphere.

Distinguished ladies and gentlemen, we would also urge sustained
commitment on the part of the U.S. and her Western allies to end conflict
on the
continent. And we in Africa are prepared to be on the front line. All
we're
asking for is a little logistic support. We must not forget that there is
a
strong linkage between conflict and under-development.

,

We appreciate the many ways in which the United States has worked with us in seeking to prevent unresolved conflicts at the regional level. But the challenges that we face remain formidable and have stretched our limited resources to the very breaking point. Nigeria, that has contributed so much, being the sixth country in the world -- so much endowed with oil -- is lining up for fuel at her petrol stations. That should tell you how much she's having to bear to help us maintain peace and stability in our sub-region. And this is something that you must keep in mind.

In this regard, Mr. President, I would urge the United States to honor its financial commitment to the United Nations and also restore its contributions to the U.N. population fund. This is because these, no doubt, have a direct impact on the effectiveness of the world body in addressing issues of concern to Africa, including peacekeeping and peacemaking. The broad development agenda, including women's reproductive health, are all features that hold us back if we do not take the appropriate steps to deal with these issues.

Mr. President, distinguished ladies and gentlemen, it is in the long-term interest of both Africa and the United States to work to contain conflicts on the continent. Tragic strife in several parts of the continent do not only seriously undermine the political and economic renewal taking place in Africa, but hinder the expansion of American economic interest on the continent and elsewhere.

Distinguished ladies and gentlemen, I hope I will have the opportunity to dilate on these issues in the talks that I will be having later, in the next few days. However, let me conclude by once again thanking you, Mr. President, distinguished ladies and gentlemen, on behalf of my wife and my delegation, for your invitation to us, and for the warm reception we have received since our arrival -- despite this cold weather. And we look forward to fruitful exchanges in the interest and the welfare of our two continents and our peoples.

Thank you, and may God bless you. (Applause.)

END

10:32 P.M. EST

TEXT:
THE WHITE HOUSE

Office of the Press Secretary
(Park City, Utah)

For Immediate Release
1, 1999

March

IRISH-AMERICAN HERITAGE MONTH, 1999

- - - - -

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

During the month of March each year, as millions of Americans celebrate St. Patrick's Day, we remember with special pride our Irish heritage. We remember our ancestors who stood on Ireland's western shores, yearning for the promise of America. Fleeing famine and injustice, they longed for a new world of opportunities. Millions of these courageous men and women set sail from Ireland, leaving behind all that they had ever known to seek the promise of America. They gave to their new homeland their strength and spirit, sinew and determination, eloquence and wit. In return, America offered them the opportunity for a better life, the chance to rise above poverty and discrimination, and a future where they could live out their dreams.

The Irish who came to America endured many hardships, but they prospered and helped to build our country with innumerable physical and intellectual contributions. They gave us Presidents like Woodrow Wilson, John Kennedy, and Ronald Reagan; patriots like John Barry and Stephen Moylan, who fought fiercely for American independence in the Revolutionary War; jurists like Justice William Brennan, who championed justice and equality; suffragists and social reformers like Maria McCreery;

journal-ists, peacekeepers, artists, playwrights, labor leaders, and educators. These and so many other Irish Americans seized the opportunity of freedom America promised. From their grand literary tradition to their deep religious faith, Irish Americans and their descendants have enriched every facet of American history.

But Irish-American Heritage Month is a time to look to the future as well as to the past. Today we rejoice at the promise of peace in Northern Ireland and the resolve of her people to approach their differences not with weapons, but with words. While the path to peace is rarely easy, it is by necessity a community effort. Americans are a vital part of the process in Northern Ireland by virtue of our shared heritage and shared goal of lasting peace and a better future for all God's children. By lending our hearts, minds, and prayers to the work of peace, we can best fulfill our obligation to the generations of Irish men and women who have given so much to our Nation,s life and history.

NOW, THEREFORE, I, WILLIAM J. CLINTON, President of the United States of America, by virtue of the authority vested in me by the Constitution and laws of the United States, do hereby proclaim March 1999 as Irish-American Heritage Month. I call upon all the people of the United States to observe this month with appropriate ceremonies, programs, and activities.

IN WITNESS WHEREOF, I have hereunto set my hand this first day of March, in the year of our Lord nineteen hundred and ninety-nine, and of the Independence of the United States of America the two hundred and twenty-third.

WILLIAM J. CLINTON

THE WHITE HOUSE

Office of the Press Secretary
(Park City, Utah)

Release For Immediate
March 1, 1999

SAVE YOUR VISION WEEK, 1999

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

Vision is an extraordinary blessing -- one that should be cherished and protected. Complex and remarkable organs, the eyes work in concert with the brain to produce vision, allowing us to experience the beauty and variety of the physical world around us.

Because blindness and vision loss are often avoidable, the maintenance of good vision must be a top health priority and an integral part of every American's overall health care routine. Preventative eye care is particularly important because there are often no warning signs or pain associated with many eye diseases, and, by the time vision loss is identified, it is frequently too late to undo the damage. Periodic dilated pupil eye examinations can reveal the early signs of eye disease and buy precious time for treatment.

It is equally important to protect our eyes from injury, another leading cause of vision loss. Each year, more than 2.4 million eye injuries occur in the United States. By using protective eyewear when working with machinery or chemicals, playing sports, or engaging in other recreational activities, we can help prevent irreparable loss of sight.

Taking measures to prevent vision loss in our children is especially important because their early development and academic achievement can suffer due to

vision problems or diseases. Even before they begin school, children should undergo a complete eye examination so that poor vision or eye disorders can be appropriately treated.

As the 21st century fast approaches, our national investment in research to prevent, postpone, and treat eye diseases and disorders has produced substantial results. Laser technology, new medications, gene mapping, innovations in diagnostic techniques, and other sight-saving discoveries are improving the lives of millions of Americans. These advances in medical research, combined with preventative eye care and increased safety measures, can all work to preserve our gift of sight.

To remind our citizens of the importance of safeguarding their eyesight, the Congress, by joint resolution approved December 30, 1963 (77 Stat. 629; 36 U.S.C. 169a), has authorized and requested the President to proclaim the first week in March of each year as "Save Your Vision Week."

more

(OVER)

2

NOW, THEREFORE, I, WILLIAM J. CLINTON, President of the United States of America, do hereby proclaim March 7 through March 13, 1999, as Save Your Vision Week. I urge all Americans to participate by making eye care and eye safety an important part of their lives and to ensure that dilated eye examinations are included in their regular health maintenance programs. I invite eye care professionals, the media, and all public and private organizations dedicated to preserving eyesight to join in activities that will raise awareness of the measures we can take to protect and sustain our vision.

IN WITNESS WHEREOF, I have hereunto set my hand this first day of March, in the year of our Lord nineteen hundred and ninety-nine, and of the Independence of the United States of America the two hundred and twenty-third.

WILLIAM J. CLINTON

###

STATEMENT BY THE PRESS SECRETARY

Nigeria: Presidential Election Results

We welcome the peaceful conduct of elections in Nigeria and congratulate the people for choosing their own leader and their own destiny. We congratulate Osegun Obasanjo, the declared winner for president, and Olu Falae, who ran a strong campaign. The elections are an important step in the process of restoring civilian democratic government in Nigeria - a process that will help return Nigeria to its place as a leader in Africa.

There have been allegations of fraud in some areas of the country, and the Independent National Elections Commission should promptly investigate them. We hope all political parties and their supporters will work within this legal framework to pursue their concerns.

As in any democratic transition, this first election is only the first step. Nigeria's new government will face enormous challenges: creating accountable government, building support within the military for civilian rule, protecting human rights, and rebuilding the economy so it benefits all citizens. As the President made clear during his February 26 address, the United States is already helping Nigeria face these challenges, and, as it moves forward, we want to do more. We call on other nations to join us in aiding Nigeria's transition to democracy.
