U. S. House of Representatives
Washington, D. C. 20515

Dear Rep. Chapman:

Thank you for sending along Ms. Steward's suggestions for the President's health care reform proposal. The proposal was designed to respond to the concerns we have heard from hundreds of thousands of citizens in every part of the country. It will provide the security of knowing that their health care coverage will never be taken away. It will simplify our overly complex system with its thousands of forms. It will control spiraling health care costs, yet maintain quality medical care. And finally, it will preserve the choice of doctors so important to us all.

I hope that you will encourage Ms. Steward to stay involved. Again, thank you for contacting me.

Sincerely yours,

Hillary

Dear Mr. Chapman:

Enclosed is an ambulance bill that I would like
for you to give to Mrs. Clinton, since she is working
on the Health Care Program.

My Dad who is 96 years old was feeling dizzy and
disoriented and the lady who works for him called
911 and Texarkana Emergency Medical Services responded.
For a one way trip (12.1 miles) for 1 hour service
\$651.50 seems like highway robbery.

I just want her to know this is why Medicaid and Medicare
is in trouble and what people are doing to the elderly.

Sincerely,

Evelyn Steward
