Dear Representative Collins:

Thank you for your letter in support of our efforts in creating a plan for comprehensive health care reform. I'm sorry it has taken so long for me to respond.

As you know, I share your view that every American should have access to affordable health care, and that special efforts are needed to respond to the special needs of minorities and women.

I greatly appreciate your encouragement, and look forward to our continued work together on this issue of such importance to the American people.

Sincerely,

7TH DISTRICT, ILLINOIS

July 27, 1993

First Lady Hillary Rodham Clinton
Office of the First Lady
Room 100 OEOB
Washington, D.C. 20500

Dear Mrs. Clinton:

I am writing to extend an invitation to you to come to the 7th Congressional District of Illinois for a Town Hall meeting on health care reform between October 1, 1993 and October 22, 1993.

As the former Chairwoman of President Clinton's Task Force on Health Care Reform, your presence at such a meeting would be extraordinarily beneficial and meaningful to the constituents of the 7th District. Spanning from the upper-middle class high-rises along the lakefront through the majority of Chicago's public housing projects on the south and westsides of the city to solidly middle-class western suburbs including Bellwood, Westchester and Berkeley, my District is truly a "slice of America". As such, health care reform is an issue of vital importance to my constituents at this time.

Some of the concerns that my constituents have expressed include the need for comprehensive benefits, universal care, long-term care insurance regulation, cost containment, and guaranteed access to high quality care for low-income, unemployed and part-time employed individuals. As one of the nation's leaders in the effort to reform this country's health care system, your input and involvement at this gathering would be invaluable.

The Town Hall meeting would take place in the suburb of Oak Park and could be scheduled at a time and date most suitable to your schedule. I hope that you will consider the possibility of attending such a meeting and I would gladly welcome you "home" to Chicago for this event.

Sincerely,

CARDISS COLLINS
Member of Congress

Dear Representative Collins:

Thank you for your letter inviting me to take part in the Chicago Town Hall meeting on health care reform. I always enjoy the opportunity to return to my home town. Unfortunately, as you know, my schedule does not permit me to accept every worthwhile invitation. If I am able to join you for the meeting, I will let you know as soon as possible.

Again, thank you for writing.
