Dear Mrs. Clinton:

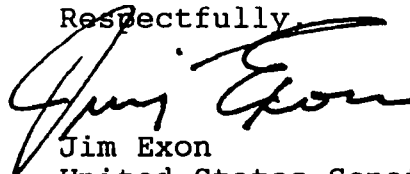

Enclosed is a copy of a letter from Dr. Clarence Davis of Osceola, Nebraska. "Doc" Davis is not only an expert in his field and a long-time advocate for quality rural health care, but he is also a close friend whose views carry great weight with me.

Dr. Davis has been giving thought to ways to reduce federal expenditures on health care. I have asked him to put his thoughts down in writing so that I could pass them along to you for your consideration on health care reform. Your review of his suggestions is most appreciated.

Thank you in advance for your consideration of Dr. Davis' concerns on health care reform.

Best wishes.

Respectfully,

Jim Exon
United States Senator
