Dear Rep. Gunderson:

Thank you for meeting with me to discuss the vitally important topic of health care reform.

I noted your interest in managed competition and your comments about the need for flexible, alternative health care delivery systems. Coming from a rural state I share your views that we must allow for innovation and creativity at the state and local level in any reformed health care system.

I look forward to working with you. With your collaboration, I feel confident that our common endeavor will be successful.

All the best.

Sincerely yours,

Hon. Steve Gunderson
