Dear Ms. Clinton:

You will soon be receiving a letter from the Central Washington Hospital Foundation of Wenatchee, Washington, inviting you to participate in their annual recognition banquet. I would like to take this opportunity to encourage you to accept their invitation.

The recognition dinner pays tribute to people in the community who have significantly supported Central Washington Hospital. This hospital serves a large geographic area in a rural part of Washington State.

I would be grateful if you could attend the dinner and I know the residents of Wenatchee would be honored.

Thank you for your attention to this matter.

Very truly yours,

Jay Inslee

Honorable Jay Inslee
U.S. House of Representatives

Dear Representative Inslee:

Thank you for your letter and for the materials from Mr. Charles Schaub. His ideas about changing Worker's Compensation and utilizing closed military bases to provide the funds for a national health care system are thought-provoking. Please be assured that they will receive every consideration.

I appreciate your willingness to assist us in our effort to ensure that every American has access to quality, affordable health care.

Sincerely yours,

Hillary
