

June 1994

Dear Mrs. Clinton,

MCA JUN 15 1994

Thank you for hosting
such a wonderful luncheon
for the Senate spouses. You
have given me a very
special memory of my first
White House Luncheon.

I would also like to
complement you on your warmth
and graciousness whenever we
have met briefly. With your demanding
schedule, I truly appreciate and
admire your ability to show
such kindness.

Sincerely,
Patricia Temphorne
