Honorable Jim Lightfoot
U.S. House of Representatives
Washington, DC 20515

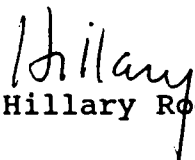

Dear Representative Lightfoot:

Thank you for your letter regarding the work of the President's Task Force on National Health Reform. I am sorry it has taken so long to respond.

As a former governor of a rural state the President is aware of the special health care needs of rural communities. Please be assured that the final health care package will address the shortage of doctors and include other provisions to address the unique needs of rural areas.

Again, thank you for your letter.

Sincerely,

Hillary Rodham Clinton
