Dear Mrs. Clinton,

Jan 1993

MAR 9 1993

I thank you so much for your note concerning my health. I was hoping to attend the inauguration but my strength is not up to par. I went to Pete's swearing in - it was just wonderful seeing everyone.

I may not be there in person but definitely in spirit. I'm happy beyond words. What a great team! When I regain my health I would love to assist in any way.

My Pete will be there to represent me -

God bless you all and thank you  
for your sacrifices - especially Chelsea.  
I wish her happiness -

God willing we will meet again soon -  
I'll have my party in front of the TV. I  
won't miss a thing -

Again we're so proud of you and your  
husband. I love the boys -

With affection,

—
