Dear Senator Pressler:

Thank you for your letter in support of the invitation extended by Mr. Bill Hustead.

Unfortunately, my schedule does not permit me to accept every request that I would like to honor. If I am able to participate in this worthwhile event, I will contact Mr. Hustead directly.

Again, thank you for writing.

Honorable Larry Pressler
United States Senate

Dear Senator Pressler:

Thank you for expressing your concern about opening Veterans Affairs and Indian Health Service hospitals to the public.

The President's Task Force on National Health Care Reform, which has concluded its work, carefully considered the recommendations of Native American and veterans health organizations. The President's proposal will provide for an appropriate role for VA and IHS hospitals consistent with other aspects of the plan.

Again, thank you for writing. I look forward to working with you in the coming months to ensure that every American citizen has access to quality and affordable health care.

Sincerely,

Hillary Rodham Clinton
