MEMORANDUM FOR WHITE HOUSE OFFICE STAFF

FROM JOEL KLEIN   
DEPUTY COUNSEL TO THE PRESIDENT

RE: Document Request by U.S. Attorney's office

As you are aware, the U.S. Attorney's office is initiating an inquiry into certain matters related to the Health Care Task Force and Interdepartmental Working Group. In that regard, the U.S. Attorney's office has requested that the White House make available for review:

All documents and records, in whatever form, and whenever created related to

1) the conception, planning, development, organization structure, and membership of the President's Health Care Task Force and the related Interdepartmental Working Group; and

2) the civil litigation captioned Association of American Physicians, et al. v. Hillary Rodham Clinton, et al. 93-399 (D.D.C.). This should include, but not be limited to, all files and records concerning the litigation maintained in the office of [any] named defendant, and in the office of the Counsel to the President.

The U.S. Attorney specifically notes that his request includes records stored on computer disks and hard drives, as well as E-Mail. In addition, he requests both "official files" and files "maintained by individual employees."

Please produce all potentially relevant documents to the office of Associate Counsel Christopher Cerf (OEOB 136) by the close of business Monday, February 13th.

At this point, we are merely collecting documents for review by the Counsel's Office. To the extent any documents are made available to the U.S. Attorney's Office, we will inform the individual or individuals who submitted them.

If you have any questions, feel free to call Chris Cerf at 6-6229.
