Clinton Presidential Records Digital Records Marker

This is not a presidential record. This is used as an administrative marker by the William J. Clinton Presidential Library Staff.

This marker identifies the place of a tabbed divider. Given our digitization capabilities, we are sometimes unable to adequately scan such dividers. The title from the original document is indicated below.

R.I.

Divider Title: _____

Rhode Island

TAX IMPACT OF ECONOMIC PLAN (in 000's)

Number of families eligible for EITC Tax reduction	38
% of families in state eligible for EITC Tax reduction	15 %
Amount of EITC Tax reduction for state (in Millions)	61
Number of taxpaying families in state whose tax rates were not increased	372
Number of taxpayers in state whose tax rates were increased	5

STATE EMPLOYMENT SINCE JANUARY, 1989 (in 000's)

Number of employed in manufacturing January, 1989	110.90
Number of employed in manufacturing January, 1993	88.80
Number of employed in manufacturing April, 1994	86.50
Total number of manufacturing jobs created between 1989 and 1993	-22.10
Total number of manufacturing jobs created between January, 1993 and April, 1994	-2.30
Number of jobs in private employment January 1989	405.10
Number of jobs in private employment January, 1993	364.10
Number of jobs in private employment in April, 1994	370.40
Net Change in number of jobs in private employment 1989 to 1993	-41.00
Net Change in number of jobs in private employment 1993 to April 1994	6.30
