MEMORANDUM

DATE: FEBRUARY 14, 1994
TO: THE FIRST LADY
FROM: ANN STOCK
RE: DINNER: BLACK HISTORY MONTH
CC: MAGGIE WILLIAMS

Attached is the final guest list for the Black History Month Dinner, per your changes and The President's. We've added black cabinet members and Alexis will give us the key sub-cabinet appointees on Tuesday.

Per your request, Duvall Patrick was added.

2/14/94

Maggie -

I put a # of people on hold (marked with an H). We did not have phone #s or addresses for them. Also, we need to space to invite key administration staff. We've called 56 people. Let me know how to proceed. See the Feb. 8 memo for HRC notes. I called Capricia 4 times the day before they left for Norway to get list. I then received the attached from Pam. note 1 refers to the Irish dinner and note 2 to History dinner.

Thanks!

Ann
