Mrs. Peggy Amster
45 Forrest Road
Tenafly, New Jersey 07670

Dear Mrs. Amster:

I am writing today to invite you to join the Board of Directors of the White House Endowment Fund. The White House is a unique symbol of our nation's government. This living monument has many functions. The White House serves as the private residence of the First Family, a public space for the entertainment of official visitors, and a museum of our nation's history. During 1993, there were more than one and one-half million visitors to the White House.

During the month of January 1995, the White House Blue Room has undergone a major refurbishing. This is the first major work done on the Blue Room since the 1972 project of First Lady Patricia Nixon. Decorative changes included wallpaper, fabrics, draperies and a new carpet. Architectural details were gilded and painted. Monroe furniture placed in the Blue Room during the historic White House renovations of First Lady Jacqueline Kennedy Onassis remains in the room. The refurbishing reflects the Monroe period.

Under the direction of the Committee for the Preservation of the White House, the Blue Room project is underwritten by the White House Endowment Fund. Recognizing the need for permanent support to maintain the White house collections of art and period furniture, First Lady Barbara Bush established the White House Endowment Fund in 1990.

Mrs. Nancy Folger has generously agreed to serve as Chair of the Endowment Fund. Nancy will call you soon to discuss with you details of the Endowment Fund and the responsibilities of its Board of Directors.

In order to ensure the preservation of the present collection and the acquisition of additional pieces to enhance the collection, the efforts of the Endowment Fund must be continued. I invite you to become a member of the White House Endowment Fund Board of Directors and to work with me in this important endeavor.

Sincerely yours,

Hillary Rodham Clinton

In order to ensure the preservation of the present collection and the acquisition of additional pieces to enhance the collection, the efforts of the Endowment Fund must be continued. I invite you to become a member of the White House Endowment Fund Board of Directors and to work with me in this important endeavor.

Sincerely yours,

THE WHITE HOUSE
WASHINGTON

December 30, 1994

Mrs. Thomas McLarty
2475 Kalorama Road., NW
Washington, D.C. 20008

Dear Donna:

I am writing today to invite you to join the Board of Directors of the White House Endowment Fund. The White House is a unique symbol of our nation's government. This living monument has many functions. The White House serves as the private residence of the First Family, a public space for the entertainment of official visitors, and a museum of our nation's history. During 1993, there were more than one and one-half million visitors to the White House.

In January of 1995, the White House Blue Room will undergo a major refurbishing. This will be the first major work done on the Blue Room since the 1972 project of First Lady Patricia Nixon. Decorative changes will include wallpaper, fabrics, draperies and a new carpet. Architectural details will be gilded and painted. Monroe furniture placed in the Blue Room during the historic White House renovations of First Lady Jacqueline Kennedy Onassis will remain in the room. The refurbishing will reflect the Monroe period.

Under the direction of the Committee for the Preservation of the White House, the Blue Room project is underwritten by the White House Endowment Fund. Recognizing the need for permanent support to maintain the White house collections of art and period furniture, First Lady Barbara Bush established the White House Endowment Fund in 1990.

Mrs. Nancy Folger has generously agreed to serve as Chair of the Endowment Fund. Nancy will call you soon to discuss with you details of the Endowment Fund and the responsibilities of its Board of Directors.

In order to ensure the preservation of the present collection and the acquisition of additional pieces to enhance the collection, the efforts of the Endowment Fund must be continued. I invite you to become a member of the White House Endowment Fund Board of Directors and to work with me in this important endeavor.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Hillary", written over the printed name.

RE: ENDOWMENT FUND

The following memo will deal with four issues:

1. A report on the Susan Brofy meeting.
2. Some questions regarding the event on February 17.
3. The process we will use to add people to the Endowment Committee.
4. A list of names that we might invite to be on the committee.

1. Notes on the Brofy meeting.

Susan sees no problem in having the Endowment Committee explore the possibility of a Memorial Contribution to Former First Ladies.

She offered to advise Bitsey where she thought the request would go. We may it clear that we were only letting them know what the committee was going to do and not asking for help. She said she didn't see a problem with exploring the issues with members who in the past have been very friendly to preservation issues.

2. The February 17, Blue Room Reception:

I believe that we agreed that a list of potential prospects would be invited to the 4:00 Reception. Bitsey has submitted a list.

- a. Do we need additional lists and from whom?
- b. We will need to have the list reviewed by the end of this week in order to get out the invitations. Do you want to take the list on your trip?
- c. A proposal was sent in for the events of the day - do we need to follow-up? With whom?

3. Adding new members to the committee:

We have had some success in adding people to the committee. There are 25 spots 13 of which have been filled. To be clear the way we get clearance to sent a letter of invitation to join the committee is the following:

- a. A annotated list of potential names is submitted to MAW for her review.
- b. The annotated list is cleared with appropriate WH staff.
- c. A final list is submitted to the First Lady.
- d. Letters are sent to approved names.
- e. Follow-up telephone calls are made by someone.
