MEMORANDUM FOR DISTRIBUTION

FROM: Harold Ickes ^(U)

SUBJECT: Inquiries regarding the President's re-election campaign

It has come to my attention that many offices in the White House have started to receive correspondence from individuals inquiring about working on the President's re-election campaign. There are strict legal restrictions on how we may respond to such inquiries.

In order to comply with White House Counsel's Office and to ensure that each letter is responded to in the appropriate manner, I would appreciate your forwarding to my office all such letters. This process will enable my office to categorize and see to it that all letters are kept on file, and responded to in a uniform manner by the DNC. My office has set up a system by which all letters and resumes are forwarded to the DNC for a response. You will receive a courtesy copy of the response from the DNC.

It would be helpful if you would indicate whether you know the person, and whether or not, in your judgement they are priority candidates who should be given serious consideration.

Please forward this memo to your entire staff.
