Dear Maggie:

As you and others at the First Lady's Office begin to construct long term schedules and speaking engagements -- and when these plans include Texas -- I'd like to prevail upon you to consider The Forum Club of Houston.

As you may know, The Forum Club is a nonprofit, nonpartisan educational organization with an open membership of approximately 4,000 people from the Houston community. Over the past 13 years it has hosted some of the nation's, and the world's, most distinguished leaders in politics & government, business, communications, the arts, science and other fields of endeavor. The Forum Club offers a well respected and dignified opportunity in one of the country's largest media markets, in which the First Lady would be able to discuss the Administration's hopes and plans for the next four years. I have enclosed some information for your reference and possible use.

If I can provide you with any further information please let me know. I hope all is well, and thank you for your consideration of this matter.

Sincerely,

Les Francis
