FROM: Ann Stock  
RE: Jazz Festival List  
cc: Maggie Williams

Attached is the proposed list for the Jazz Festival. It contains many more people than we will invite. Please note that it does not yet contain suggestions from Maggie or Capricia. Also, Lisa is submitting a press list on Tuesday -- after she meets with Maggie and Dee-Dee to develop one. I'll send it to you on Tuesday evening.

When you have a chance, mark through anyone that you do not want invited to the Festival. The invitations are ready and can be in the mail within 24 hours after I receive your list.

Also, note that the Smithsonian list is great for names that will add Jazz authenticity and flavor to the event. They just did an opening for the Duke Ellington exhibit so the list is current.

Many thanks.
