When asked about

FDA efforts to reg cigs

FDA has

- no authority

- wish do to they would do stand
more rule on Med devices to

he said an FDA proposal to reg define
cig tobacco "in effect bans cigarettes
and the production of tobacco."

Campaign would be happy -

Pushing w/press

① Citizen Dole playing off citizen
campaign is misleading the Am public

② ^{FDA has} Nothing to do with banning cigarettes -
everything to do w/protecting

③ industry's party line (denial) -

④ Courage - better for us to say it

• - Kay - Bill and Matt - put out smt

- Post AP, Louisville Courier Journal
- Don't think press conf. is the best
way to go

- AP do another write through -

- Cover about how it gets into -
