

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF NATIONAL DRUG CONTROL POLICY
Washington, D.C. 20503

November 22, 1996

Dear Ms. Drye: *Elizabeth*

As you know ONDCP is vigorously pursuing the development of a research-based, long-range National Drug Control Strategy. Critical to this effort is the development of a five-year drug control budget that provides a long-term commitment to national programs that support our collective efforts to reduce illegal drug use and its consequences in America.

ONDCP continues to work closely with DPC in developing a long-term Strategy and supporting budget submission. Want to let you to know that the next meeting of the President's Drug Policy Council will likely occur in early December. The central theme of that meeting will be long-term budget planning.

Appreciate the commitment and cooperation you have shown in helping to develop a five-year drug control budget.

Sincerely,

Janet
