SUBJECT: Do we have equipment money in our budget?

I would sure like a VCR...only needs to be one that plays, I don't care if it records. I get lots of videos in mail, many of which I would love to watch and often late in day when it is too late to order a machine up here....not a must, just thought if money avail. it would be nice.

SUBJECT: Wish list

Each year jeremy used to send out an email inviting the staff to request items such as computers, TV's etc. out of the DPC budget. Anyway, I not sure if you are doing this, but I do have a request. The computer @ the intern desk is antiquated & extremely S L O W.

Please see this email as a formal request for an updated faster computer for that desk.

Thank you!
