Subject: DoD participation.

I spoke with Gary Christopherson, who is Acting Principal Deputy Assistant Secretary for Health Affairs. DoD would like to serve on the Regulatory and Program/Budget groups. They are particularly interested in smoking cessation, education, ETS, and nicotine regulation and research.

The two staff contacts are Gary (703-697-2111) and Dr. John Mazzuchi (695-4968) Deputy Assistant Secretary for Clinical Services.

Subject: Working Group on Smoking and the Workplace

I gather there was very recently convened an intra-agency group to look at smoking and the workplace, and that DOL/OSHA is the agency lead. Could I ask that since we examine OSHA, that Lori Schack be included on the routing for messages, materials, and meeting announcements. Although I know OIRA already is participating, Lori's presence will greatly benefit OMB and the Administration, helping us to be aware of the policy and resource implications of the working group's recommendations. Lori has worked with DPC before on OSHA-related issues, back when Mike Schmidt was on the staff. Lori can be reached by e-mail, by phone at 5-3262, or by FAX at 5-1596.

Many thanks.

Subject: Tobacco Interagency Review:

I am filling in for TJ this week, and Nancy-Ann Min suggested this morning that I get in touch with you on the tobacco settlement review that you are overseeing.

Please call TJ (he is back on Monday, 6/30), Mark, or me on how USDA is involved in the review, particularly in estimating the settlement's economic impacts on U.S. agriculture, and possible strategies for addressing any dislocations to farmers or certain rural areas. I would suggest that USDA's Chief Economist, Keith Collins, would be an appropriate analyst to participate in the review, and TJ's ag staff at OMB should be involved too.

Please give us a call when it is convenient for you. Ron

You are invited to participate in an inter-agency meeting focusing on international trade and other policy issues pursuant to the Administration's review of the proposed tobacco industry settlement. Our goal will be to prepare a brief paper outlining international policy issues for use by a Working Group to be chaired by Dan Tarullo. (The Tarullo group will meet next week.)

In addition to a brief overview of the review process, topics to be addressed include:

1. Current USG policies re: tobacco:
 - trade & investment
 - health
 - economic development
2. The proposed settlement:
 - international activities of the U.S. tobacco industry; export trends

- international policy implications of the proposed settlement ←
- possible USG policy responses

A brief organizational meeting will be held **Wednesday, July 2 at 3:00 pm in Room 231 of the OEOB**. RSVP with the name of the person(s) that will be attending this meeting; those requiring clearance into the White House complex should **fax date of birth and Social Security number to 456-9280 or 456-5334**.
