MEMORANDUM FOR THE PRESIDENT

SUBJECT: Army General Officer Nomination

On behalf of the Secretary of Defense, I recommend the position of U. S. Representative to the NATO Military Committee be redesignated from a four-star to a three-star position under the provisions of title 10, United States Code, section 601. This downgrade is commensurate with the representation of our allies on this committee. Your signature on this memorandum will constitute your approval.

I further recommend the assignment of Major General Daniel W. Christman, United States Army, for assignment to the position, and his nomination for appointment to the grade of lieutenant general. General Christman, who is 50 years of age, is currently serving as Commanding General, United States Army Engineer Center and Fort Leonard Wood. He will succeed Admiral William D. Smith, United States Navy, who is retiring.

In order to carry out the duties and responsibilities of the proposed assignment, an officer must have demonstrated highly effective performance in senior leadership positions. He must possess a thorough understanding of the requirements of the North Atlantic Treaty Organization Military Committee, including plans and policy. He must have the ability to work well with senior officials from other Services and other nations. General Christman meets these requirements.

This action will not result in the Army exceeding the number of officers authorized to be serving in the grade of lieutenant general.

As required by title 10, United States Code, section 601(d)(1), I have attached an evaluation of General Christman's performance in joint duty assignments from the Chairman of the Joint Chiefs of Staff.

MEMORANDUM FOR THE SECRETARY OF DEFENSE

Through: Deputy Secretary of Defense

Subject: General Officer Nomination

1. In accordance with the provisions of title 10, United States Code, and DOD Instruction 1320.4, the Acting Secretary of the Army has recommended Major General Daniel W. Christman for assignment as United States Representative to the NATO Military Committee (US MILREPMC) and appointment to the grade of lieutenant general. Although previously designated to carry the grade of general, I recommend that the position of US MILREPMC be downgraded to the grade of lieutenant general or vice admiral.

2. I have reviewed Major General Christman's performance in two joint duty assignments. As Program Analyst, NSC Staff, Executive Office of the President, he made brilliant and innovative contributions to a number of complex issues presented for NSC and Presidential decision such as the Strategic Arms Limitation Talks (SALT), resolution of strategic forces and weapon systems issues, generation of national intelligence requirements, and preparation of US plans regarding critical imported materials. As the Executive Assistant to the Chairman of the Joint Chiefs of Staff and Army Member, Chairman's Staff Group, he was entrusted with some of the Chairman's most critical tasks on a wide variety of policy issues dealing with NATO and arms control issues. His advice and counsel were considered instrumental to the Chairman in dealing with other NATO chiefs of staff and defense ministers, as well as with INF treaty ratification. His interagency exposure with the NSC, White House, State Department, CIA, and all levels of government, civil and military, reaffirms my confidence in his qualifications for this assignment and advancement.

3. After consultation with the other members of the Joint Chiefs of Staff, I concur in the Acting Secretary of the Army's nomination of Major General Christman for this assignment and appointment to the grade of lieutenant general. Moreover, I recommend that this position of importance and responsibility be downgraded to carry the grade of lieutenant general or vice admiral, and that you forward the enclosed nomination to the President approving these actions.

A handwritten signature in black ink, appearing to read "C. L. Powell", with a stylized flourish at the end.

MEMORANDUM FOR THE PRESIDENT

SUBJECT: Army General Officer Nomination

On behalf of the Secretary of Defense, I recommend you establish the position of Deputy Commander in Chief/Chief of Staff, United States Atlantic Command, as a position of importance and responsibility to carry the grade of lieutenant general under the provisions of title 10, United States Code, section 601. This position was previously authorized at the two-star grade. The proposed upgrade is a result of the restructuring of United States Atlantic Command. Your signature on this memorandum will constitute your approval.

I also recommend the duties of Deputy Commander in Chief/Chief of Staff, United States Atlantic Command, be assigned to Major General William W. Hartzog, United States Army. General Hartzog, who is 51 years of age, is currently assigned as Commanding General, 1st Infantry Division (Mechanized).

In order to carry out the duties and responsibilities of the proposed assignment, an officer must have demonstrated highly effective performance in a number of senior leadership positions. He must possess a thorough understanding of the missions assigned to the Continental United States based forces. He must be able to assess the readiness, sustainability, and joint capability of these forces and ensure training is conducted for all contingency missions. General Hartzog meets these requirements.

The above action will not result in the Army exceeding the number of officers authorized to be serving in the grade of lieutenant general.

As required by title 10, United States Code, section 601(d)(1), I have attached an evaluation of General Hartzog's performance in joint duty assignments from the Chairman of the Joint Chiefs of Staff.

MEMORANDUM FOR THE SECRETARY OF DEFENSE

Through: Deputy Secretary of Defense

Subject: General Officer Nomination

1. In accordance with title 10, United States Code, and DOD Instruction 1320.4, the Acting Secretary of the Army has recommended the position of Deputy Commander in Chief/Chief of Staff, USLANTCOM, be designated a position of importance and responsibility to carry the grade of lieutenant general. Contingent upon position designation approval, the Acting Secretary has recommended Major General William W. Hartzog for assignment as Deputy Commander in Chief/Chief of Staff, USLANTCOM, and appointment to the grade of lieutenant general.

2. I have reviewed Major General Hartzog's performance in two joint duty assignments and one joint equivalent. As Operations Staff Officer, Force Structure Division, US Military Assistance Command, Vietnam, he demonstrated exceptional ability in developing complex revisions to the force structure of the Republic of Vietnam's Armed Forces. As Chief, War Plans Division, Office of the Deputy Chief of Staff for Operations and Plans, US Army, his understanding of the joint arena not only permitted him to deftly handle critical issues but also assume the roles of teacher and adviser as he cultivated a new generation of planners and strategists. As Director of Operations, J-3, USSOUTHCOM, his understanding of the complexities of joint combined operations and ability to translate strategy into coherent, coordinated action was unparalleled. During the Panama Crisis, he designated and monitored the highly successful freedom-of-movement exercises, and during Operation JUST CAUSE his planning and flawlessly executed theater operations resulted in an enormously successful campaign. As the chief architect of the CINC's theater counter narcotics strategy, his plan has become a model for unified commands and has been embraced by Latin American countries. I am confident that he is well qualified for this assignment and advancement.

3. After consultation with the other members of the Joint Chiefs of Staff, I concur in the Army's nomination of Major General Hartzog for this assignment and appointment to the grade of lieutenant general. I recommend you forward the enclosed nomination to the President approving these actions.
