Dear Mr. President:

I am writing on behalf of a number of members of the House of Representatives who would like to meet with you to discuss the situation in Kosovo. As you know, the situation there raises serious issues of human rights, and, inasmuch as it could lead to a wider war involving our friends and allies in the region, directly threatens important U.S. interests. Mindful of your recent pledge not to permit any more Bosnias in the former Yugoslavia, we would very much appreciate the opportunity to meet with you to discuss this urgent problem and review the options available to our country and the international community to deal with it before it gets further out of hand.

With best wishes,

Sincerely,

BENJAMIN A. GILMAN
