Dear Mr President,

Twinning Warrington with Enniskillen

Further to our recent letter to you, we enclose a copy of the press release which was put out this week, concerning the proposed twinning of Warrington and Enniskillen.

We firmly believe that this would be an excellent way to capitalise on the strength of feeling in Warrington after the bombings, and would serve as a focus for our efforts for peace to prevent that feeling being dissipated.

The way to peace must be through building bridges and working in common partnership.

We would be very grateful to receive your support in this matter.

Yours sincerely,

Doug Hoyle

Mike Hall

News Release

Warrington MPs Propose Town Twinning with Enniskillen

Warrington's two Labour MPs Doug Hoyle and Mike Hall are proposing that their town is twinned with Enniskillen, as a gesture of peace and solidarity against terrorism.

Both towns have suffered atrocities at the hands of terrorists. Hoyle & Hall are keen that Warrington should become a symbol of the fight against terrorism. In particular they are anxious that the deaths of two young boys in the attack on March 20th should not be in vain.

"The way to peace has to be through building bridges, joining together, and working in partnership to ensure no more towns suffer as we have."

"Our towns have both witnessed indiscriminate bombings and the murder of innocent people and this has not brought a solution to the Irish problem any nearer ."

"What better way than to twin Warrington and Enniskillen, to demonstrate our joint determination for peace in Britain and Northern Ireland, and as a memorial to all the victims in the two towns?"

*This has already been answered,
w/a suggestion that it be
sent to State Dept.*
