Subject: White House Minimum Wage Bill Signing

We scored two families from California, one from the Bay Area and one from LA. Below is the information necessary for White House clearance and press. Both women are Home Care Workers and SEIU rank & file activists. They arrive Monday night, and I will bring them and their children to the AFL-CIO on noon Tuesday. In addition, I've included below my name and numbers for White House clearance as I need to chaperone them throughout the day. I trust you'll take care of this for me.
