Laura Efurd  
The White House  
Washington, DC

Dear Laura,

Thank you so much for the opportunity to be present for the President's event on the minimum wage increase. The people that came from Philadelphia were excited beyond belief. One of the women, who is co-director of Hannah House, a residential program for women, said it best when she said, "Next to having my children, this was the best thing that ever happened to me in my life!"

We were also able to include the students from Trinity College in Washington, DC who were thrilled as well. Several of our staff who are young themselves accompanied the students. The event was extremely beneficial to our work in advocating for justice in the political system. The people you cleared for the event certainly will go home with much better understanding of politics at its best.

We then went over to the House of Representatives to lobby for the two year increase with fire in our hearts. It was a great briefing on the issue for the women.

NETWORK appreciates the time and effort you put into making the necessary arrangements for us to all attend the President's press conference and we look forward to working more closely with you in the future. May God bless you in your life and work.

Sincerely,

Mary Elizabeth Clark, SSJ  
NETWORK Lobbyist
