President Clinton And Democrats Fight For New Proposals To Help Working Families In Every State

- The President's Proposal To Raise The Minimum Wage
- The President's Retirement Savings And Security Act
- The Kassebaum-Kennedy Health Insurance Reform Bill

State-By-State Data

May 23, 1996

PRESIDENT CLINTON AND DEMOCRATS FIGHT FOR NEW PROPOSALS TO HELP WORKING FAMILIES IN ALABAMA

THE PRESIDENT'S PROPOSAL TO RAISE THE MINIMUM WAGE

- **President Clinton Proposes to Raise the Minimum Wage By 90 Cents Over Two Years.** This Proposal Would Give a Raise to 10 Million American Workers.
- **In Alabama, 241,000 Workers Would Receive A Raise.** The President's proposal to increase the minimum wage by 90 cents over two years would directly benefit 241,000 workers in Alabama, representing 22.3 percent of all hourly workers in the state.
- **The President's Proposal Would Provide \$1,800 to a Worker Who Works Full-time, Year Round.** That's enough money for the average family to pay for:
 - Over seven months of groceries;
 - Basic housing costs for almost four months (rent or mortgage);
 - One year of health care costs, including insurance premiums, prescription drugs, and out-of-pocket costs;
 - Nine months worth of utility bills;
 - More than a full-year's tuition at a 2-year college; or
 - Three months worth of total transportation costs, including gasoline, maintenance, and public transportation.

THE PRESIDENT'S RETIREMENT SAVINGS AND SECURITY ACT

- **President Clinton's Retirement Savings And Security Act:**
 - **Expands Pension Coverage** to help the 51 million working Americans -- nearly half of private-sector workers -- not currently covered by an employer-provided plan save for their retirement.
 - **Increases Portability** by removing the obstacle course facing many workers when they change or lose their job and want to bring their retirement savings with them and keep saving.
 - **Enhances Protections** so hard-working Americans do not have to worry whether their retirement savings will be there when they need them.
- **In Alabama, 200,000 Workers In Small Businesses Would Be Offered Expanded Opportunity For Pension Coverage.** Only 1/4 of the workers in the over 71,000 small businesses in Alabama with under 100 employees have pension coverage. President Clinton's Retirement Savings and Security Act offers expanded opportunities for pension coverage to almost 200,000 workers at these small businesses in Alabama who have no pension plan today.

THE KASSEBAUM-KENNEDY HEALTH INSURANCE BILL

- **In Alabama As Many As 261,000 Americans in Families With a Worker Who Changed, Lost, Or Left A Job With Health Insurance, Would Be Guaranteed Continued Access To Health Insurance** under the Kassebaum-Kennedy Health Insurance Bill which President Clinton has fought for.

PRESIDENT CLINTON AND DEMOCRATS FIGHT FOR NEW PROPOSALS TO HELP WORKING FAMILIES IN ALASKA

THE PRESIDENT'S PROPOSAL TO RAISE THE MINIMUM WAGE

- **President Clinton Proposes to Raise the Minimum Wage By 90 Cents Over Two Years. This Proposal Would Give a Raise to 10 Million American Workers.**
- **Alaska has already raised its state minimum wage to \$5.25.**

THE PRESIDENT'S RETIREMENT SAVINGS AND SECURITY ACT

- **President Clinton's Retirement Savings And Security Act:**
 - **Expands Pension Coverage** to help the 51 million working Americans -- nearly half of private-sector workers -- not currently covered by an employer-provided plan save for their retirement.
 - **Increases Portability** by removing the obstacle course facing many workers when they change or lose their job and want to bring their retirement savings with them and keep saving.
 - **Enhances Protections** so hard-working Americans do not have to worry whether their retirement savings will be there when they need them.

In Alaska, 22,000 Workers In Small Businesses Would Be Offered Expanded Opportunity For Pension Coverage. Only about 1/4 of the workers in the over 13,000 small businesses in Alaska with under 100 employees have pension coverage. President Clinton's Retirement Savings and Security Act offers expanded opportunities for pension coverage to almost 22,000 workers at these small businesses in Delaware who have no pension plan today.

THE KASSEBAUM-KENNEDY HEALTH INSURANCE BILL

- **In Alaska As Many As 43,000 Americans in Families With a Worker Who Changed, Lost, Or Left A Job With Health Insurance, Would Be Guaranteed Continued Access To Health Insurance** under the Kassebaum-Kennedy Health Insurance Bill which President Clinton has fought for.

THE KASSEBAUM-KENNEDY HEALTH INSURANCE BILL

- **In Illinois As Many As 784,000 Americans in Families With a Worker Who Changed, Lost, Or Left A Job With Health Insurance, Would Be Guaranteed Continued Access To Health Insurance** under the Kassebaum-Kennedy Health Insurance Bill which President Clinton has fought for.

PRESIDENT CLINTON AND DEMOCRATS FIGHT FOR NEW PROPOSALS TO HELP WORKING FAMILIES IN INDIANA

THE PRESIDENT'S PROPOSAL TO RAISE THE MINIMUM WAGE

- **President Clinton Proposes to Raise the Minimum Wage By 90 Cents Over Two Years.** This Proposal Would Give a Raise to 10 Million American Workers.
- **In Indiana, 232,000 Workers Would Receive A Raise.** The President's proposal to increase the minimum wage by 90 cents over two years would directly benefit 232,000 workers in Indiana, representing 12.0 percent of all hourly workers in the state.
- **The President's Proposal Would Provide \$1,800 to a Worker Who Works Full-time, Year Round.** That's enough money for the average family to pay for:
 - Over seven months of groceries;
 - Basic housing costs for almost four months (rent or mortgage);
 - One year of health care costs, including insurance premiums, prescription drugs, and out-of-pocket costs;
 - Nine months worth of utility bills;
 - More than a full-year's tuition at a 2-year college; or
 - Three months worth of total transportation costs, including gasoline, maintenance, and public transportation.

THE PRESIDENT'S RETIREMENT SAVINGS AND SECURITY ACT

- **President Clinton's Retirement Savings And Security Act:**
 - **Expands Pension Coverage** to help the 51 million working Americans -- nearly half of private-sector workers -- not currently covered by an employer-provided plan save for their retirement.
 - **Increases Portability** by removing the obstacle course facing many workers when they change or lose their job and want to bring their retirement savings with them and keep saving.
 - **Enhances Protections** so hard-working Americans do not have to worry whether their retirement savings will be there when they need them.
- **In Indiana, 174,000 Workers In Small Businesses Would Be Offered Expanded Opportunity For Pension Coverage.** Only about 1/3 of the workers in the over 107,000 small businesses in Indiana with under 100 employees have pension coverage. President Clinton's Retirement Savings and Security Act offers expanded opportunities for pension coverage to almost 174,000 workers at these small businesses in Indiana who have no pension plan today.

THE KASSEBAUM-KENNEDY HEALTH INSURANCE BILL

- **In Indiana As Many As 482,000 Americans in Families With a Worker Who Changed, Lost, Or Left A Job With Health Insurance, Would Be Guaranteed Continued Access To Health Insurance** under the Kassebaum-Kennedy Health Insurance Bill which President Clinton has fought for.

THE PRESIDENT'S RETIREMENT SAVINGS AND SECURITY ACT

- **President Clinton's Retirement Savings And Security Act:**
 - **Expands Pension Coverage** to help the 51 million working Americans -- nearly half of private-sector workers -- not currently covered by an employer-provided plan save for their retirement.
 - **Increases Portability** by removing the obstacle course facing many workers when they change or lose their job and want to bring their retirement savings with them and keep saving.
 - **Enhances Protections** so hard-working Americans do not have to worry whether their retirement savings will be there when they need them.
- **In Nebraska, 99,000 Workers In Small Businesses Would Be Offered Expanded Opportunity For Pension Coverage.** Only about 1/5 of the workers in the almost 37,000 small businesses in Nebraska with under 100 employees have pension coverage. President Clinton's Retirement Savings and Security Act offers expanded opportunities for pension coverage to almost 99,000 workers at these small businesses in Nebraska who have no pension plan today.

THE KASSEBAUM-KENNEDY HEALTH INSURANCE BILL

- **In Nebraska As Many As 139,000 Americans in Families With a Worker Who Changed, Lost, Or Left A Job With Health Insurance, Would Be Guaranteed Continued Access To Health Insurance** under the Kassebaum-Kennedy Health Insurance Bill which President Clinton has fought for.

PRESIDENT CLINTON AND DEMOCRATS FIGHT FOR NEW PROPOSALS TO HELP WORKING FAMILIES IN NEW HAMPSHIRE

THE PRESIDENT'S PROPOSAL TO RAISE THE MINIMUM WAGE

- **President Clinton Proposes to Raise the Minimum Wage By 90 Cents Over Two Years.** This Proposal Would Give a Raise to 10 Million American Workers.
- **In New Hampshire, 30,000 Workers Would Receive A Raise.** The President's proposal to increase the minimum wage by 90 cents over two years would directly benefit 30,000 workers in New Hampshire, representing 8.6 percent of all hourly workers in the state.
- **The President's Proposal Would Provide \$1,800 to a Worker Who Works Full-time, Year Round.** That's enough money for the average family to pay for:
 - Over seven months of groceries;
 - Basic housing costs for almost four months (rent or mortgage);
 - One year of health care costs, including insurance premiums, prescription drugs, and out-of-pocket costs;
 - Nine months worth of utility bills;
 - More than a full-year's tuition at a 2-year college; or
 - Three months worth of total transportation costs, including gasoline, maintenance, and public transportation.

THE PRESIDENT'S RETIREMENT SAVINGS AND SECURITY ACT

- **President Clinton's Retirement Savings And Security Act:**
 - **Expands Pension Coverage** to help the 51 million working Americans -- nearly half of private-sector workers -- not currently covered by an employer-provided plan save for their retirement.
 - **Increases Portability** by removing the obstacle course facing many workers when they change or lose their job and want to bring their retirement savings with them and keep saving.
 - **Enhances Protections** so hard-working Americans do not have to worry whether their retirement savings will be there when they need them.

THE PRESIDENT'S PROPOSAL TO RAISE THE MINIMUM WAGE

- **President Clinton Proposes to Raise the Minimum Wage By 90 Cents Over Two Years. This Proposal Would Give a Raise to 10 Million American Workers.**
- **In South Dakota, 32,000 Workers Would Receive A Raise.** The President's proposal to increase the minimum wage by 90 cents over two years would directly benefit 32,000 workers in South Dakota, representing 15.9 percent of all hourly workers in the state.
- **The President's Proposal Would Provide \$1,800 to a Worker Who Works Full-time, Year Round.** That's enough money for the average family to pay for:
 - Over seven months of groceries;
 - Basic housing costs for almost four months (rent or mortgage);
 - One year of health care costs, including insurance premiums, prescription drugs, and out-of-pocket costs;
 - Nine months worth of utility bills;
 - More than a full-year's tuition at a 2-year college; or
 - Three months worth of total transportation costs, including gasoline, maintenance, and public transportation.

THE PRESIDENT'S RETIREMENT SAVINGS AND SECURITY ACT

- **President Clinton's Retirement Savings And Security Act:**
 - **Expands Pension Coverage** to help the 51 million working Americans -- nearly half of private-sector workers -- not currently covered by an employer-provided plan save for their retirement.
 - **Increases Portability** by removing the obstacle course facing many workers when they change or lose their job and want to bring their retirement savings with them and keep saving.
 - **Enhances Protections** so hard-working Americans do not have to worry whether their retirement savings will be there when they need them.
- **In South Dakota, 24,000 Workers In Small Businesses Would Be Offered Expanded Opportunity For Pension Coverage.** Only about 1/5 of the workers in the almost 19,000 small businesses in South Dakota with under 100 employees have pension coverage. President Clinton's Retirement Savings and Security Act offers expanded opportunities for pension coverage to almost 24,000 workers at these small businesses in South Dakota who have no pension plan today.

THE KASSEBAUM-KENNEDY HEALTH INSURANCE BILL

- **In South Dakota As Many As 47,000 Americans in Families With a Worker Who Changed, Lost, Or Left A Job With Health Insurance, Would Be Guaranteed Continued Access To Health Insurance** under the Kassebaum-Kennedy Health Insurance Bill which President Clinton has fought for.

PRESIDENT CLINTON AND DEMOCRATS FIGHT FOR NEW PROPOSALS TO HELP WORKING FAMILIES IN TENNESSEE
